June 25, 8:00–4:30 pm

MODULES 4, 6–8

June 26, 8:00–4:30 pm

*Participants must attend both days to receive certificates of completion for this two-day workshop.

COST: \$115.00

Course fee includes lunch and refreshments.

(\$10/day parking fee not included)

As a result of support from major grants received by Pacific EMPRINTS from the Office of the U.S. Assistant Secretary for Preparedness and Response, there is no cost for attending this program or for the materials that will be provided. However, there will be a nominal fee to cover all food and refreshment costs. Because of space limitations, registration is required.

ABOUT MATHER LIFEWAYS

Mather LifeWays is a not-for-profit organization based in Evanston, Illinois, with a 60+ year track record of enhancing the lives of older adults. Its Institute on Aging provides services such as but not limited to improving the senior living workforce, supporting family caregivers, and offering the nationally recognized P-R-E-P-A-R-E trainings.

P-R-E-P-A-R-E equips senior living and long-term care professionals with the core competencies to address the medical and psychosocial consequences of natural disasters and other public health emergency preparedness and response concerns. Mather LifeWays will have conducted P-R-E-P-A-R-E train-the-trainer classes in all 50 states by August 2008.

P-R-E-P-A-R-E

How can you prepare your senior living or long-term care workforce to handle an emergency or disaster?

You'll be able to assure residents and families that your community is ready to:

- Meet the special needs of older adults in your care
- Recognize, respond to, and mitigate both manmade and natural threats
- Take a coordinated approach to alert and involve local, state, and national agencies

WHAT IS P-R-E-P-A-R-E?

Prepare the long-term care workforce with knowledge and competencies to deal with natural disasters and other public health emergencies

Readiness, recognition, and multidisciplinary response to disasters and emergencies

Educate core trainers

Produce an effective long-term care workforce able to treat older adults in such emergencies

Alert the public health system of emergencies

Resources for continuing disaster preparedness education

Evaluating the program's impact

WHO SHOULD ATTEND A P-R-E-P-A-R-E WORKSHOP?

- Directors of Nursing
- Educational Directors or Specialists
- Health Care Administrators
- Human Resources Directors
- Risk Managers
- Social Workers
- Safety Officers

WHAT WILL YOU LEARN?

PREPARE Learning Modules:

PREPARE consists of eight learning modules:

Module 1: Responses of Older Adults to Disaster/ Emergency Situations: Special Considerations

Module 2: Psychological Needs of Older Adults in Long-Term Care

Module 3: Biological and Chemical Agents: What Long-Term Care Providers Need to Know

Module 4: Leading and Communicating in Long-Term Care During a Disaster or Emergency

Module 5: Surveillance and Infection Control

Module 6: Emergency Preparedness Drills and Exercises

Module 7: Local, State and Federal Plans and Resources for Long-Term Care in a Disaster/Emergency

Module 8: Effective Disaster Planning for Long-Term Care: Components and Template

P-R-E-P-A-R-E Specialists leave the workshop with:

- **Trainer Guide** for eight learning modules
- CD-ROM of resources and templates
- Comprehensive handouts
- Certificates of completion
- Access to PREPARE specialist webpage
- DVDs with videos of selected modules
- Continuing education units
- A self-study version of the modules to allow for flexibility in training
